

MSC Cards with Mass Remembrance

Our Mass Remembrance Cards have become very popular. We have three different types, i.e. Sympathy cards, Mass Bouquet personal intention cards (e.g. get well), and Christmas cards.

Each type comes in packs of 5 with envelopes. Generally, each of the 5 cards in a pack bears a different image on the front. You can hold the cards at home or in the office until a need to use one arises. We provide a sheet for the names to be listed and returned for inclusion in the Mass remembrance of MSC priests.

You can request packs of cards using this form. It is very important to **write clearly** and to specify exactly which of the three types you want.

The donations from these cards support our missionary priests in Third World countries. You can help our missions by telling your friends about the convenience of using our cards.

Please forward me the following Packs
(25 Euro or 20 Stg per pack of 5 cards):
